- One 6 foot x 10 foot booth area
- Two Chairs
- Draped table
- Additional representatives \$1350 USD each (\$1200 USD if received before July 15th, 2022)

Exhibit Bookings:

To reserve your booth, please register at the HVIS website <https://hvis2022.jhuapl.edu/> by clicking on the "Registration" Tab and registering as an exhibitor. Payment must be received *before* July 15th, 2022, for early bird registration. Registration must be completed by August 15th, 2022. Please note that booths are limited and will be allocated on a first come, first served basis. VISA/MasterCard will be accepted.

The HVIS Organizing Committee cordially invites your organization to exhibit its products or services at the 16th Hypervelocity Impact Symposium being held on September 18-22, 2022, in Alexandria Virginia, USA at the Alexandrian Hotel, located on the historic streets of Old Town Alexandria. This exclusive international conference in the field of hypervelocity phenomenology (from launchers, diagnostics, and material response to high velocity penetration, planetary defense technology, and more) attracts over a hundred attendees from a wide variety of countries, and institutions.

Each exhibitor is also invited to present a short (5 – 10 min) overview of their product at a special session during the conference venue. Additionally, each exhibitor will be encouraged to supply a one page flyer to be included in the registration packet of all attendees.

Please accept our invitation and take this opportunity to participate in HVIS 2022.
